It was agreed that as there are Elections due in May 2019, it would not be in our best interests to look for a replacement as our next meeting will be within 6 months of them. His place on Committees & Working Parties will be filled if required on an ad hoc basis.

32/18 **Declarations of Interest;** None.

33/18 **Clerks Notes** of the 4<sup>th</sup> July 2018 meeting were accepted as a true record and became the minutes. Proposed by N Craft, seconded A Gregory, all members were in agreement.

34/18 **Clerks Report on Progress.** The Clerk stated all matters were to be dealt with under the appropriate agenda items.

35/18 **Financial Statement No.2.**

The Clerk/RFO went through the financial report in fine detail as usual explaining all the payments etc. The Community Cleaners and Clerks salaries for the last two months May & June totalling £1453.01 was paid out. Other payments included £600 to R Webster for Grass cutting Inc £150 VAT. £220 was paid for the Hedge-trimmer for the Hills & Hollows inc 36.67 VAT, £66.40 to Potash Farms for the Walnut Tree inc VAT @ £4.40 and £300 to Print Bureau for the Newsletters. Petty Cash expenditure owed to the Clerk during the last two months amount to £244.68, this included the £40 for leaflets re planning, newsletter cost of £89.22, £13 varnish and £18.42 for the Working Parties. Office costs of £84.04 were also paid.

Total expenditure during this two months being £2882.09 a total of £227.41 of VAT is reclaimable. Income was £5.02, from Melton Mowbray when the Easy Access Account was transferred to the 30 Day Account as agreed at the last meeting.

Known expenditure due for payment before the next meeting are; Community Cleaner's Salary, Clerks Salary, Repairs, Road Safety, Grass Cutting, New Picnic Bench, Training and Office. The Clerk informed the meeting that all budget headings were as expected for this time of year. A request from Londonthorpe to assist from our S137 fund to make a donation towards the purchase of "Tommy" the silhouette soldier was discussed. It was agreed on a proposal by J Anderson seconded by A Gregory we could make a donation of up to a maximum of £50 or 20% whichever is the least. This was agreed unan and would come from our monies set aside for this type of thing.

Agreement to accept the Financial Statement No 3 and all the options suggested plus the normal expected payments was proposed by A Gregory seconded by N Craft this was agreed unanimously.

The auditors have requested further information from the Clerk about the figures shown on the Annual Return. As the figure shown outstanding to SKDC at the end of 2016-17 was different to the amount paid to them to clear the Mortgage. This was easily explained as the earlier figure included some interest which we actually saved by paying off the Mortgage early.

The Clerk informed members of the discussions he's had with a computer advice company from Lincoln about emails addresses and the costs involved. Using a .gov address would have been the best option but is not open to us. After discussion it was agreed we should look into Gmail as an option.

39/18	<p><b>Highways Notes;</b></p> <p><b>Chatsworth Avenue &amp; Harrowby Hill Flooding;</b> A concerted effort is being made the get something done about both of these matters. The agencies involved are LCC Highways, SKDC, Internal Drainage Board, Lincolnshire Flood Agency and others. Anglia water found that they had a leaking main and when this was shut off the homes on eastern side of Harrowby Lane saw much reduced flow on to their properties.</p>

	<p>Cllr N Craft, Cllr Wootten, Cllr Chivers and the clerk attended a useful meeting at SKDC offices on Monday with all the above named agencies except LCC Highways who failed to send a representative. Also at the meeting was a member of the Environment team. Who are also including Chatsworth Avenue in these discussions as we feel this is part of the same problem. The Clerk wrote to all the agencies including the MP demanding something be done about both situations. Again responses were received from most except LCC Highways. Next meeting will take place in November when Anglia Water will report back. The Clerk explained that it was impossible to close the footpath on Harrowby Hill except for emergencies as a suitable alternative route is not available. The hedge needs cutting back but there is a dispute over whose it is, once again no one to take responsibility!</p> <p><b>Potholes;</b> further of poor repairs have been completed around the parish.</p>

This is evident all round the Somerby roundabout. It is only a matter of time before one falls on to another vehicle or pedestrian. The quarry owners to be contacted.</p> <p>Cllr L Wootten added a little more to the detail about flooding problems we have.</p>
